House situated in the surrounding area of the village of Monda, enjoying lovely views of the neighbouring hills covered with olive, fig and almond trees. The property consists of main residence and guest house set in lovely gardens with lake, fountain, swimming pool with cascade, and barbecue areas. The architectural style used is both original and unusual as the buildings and porches are circular in form and inside the property is adorned with modern "buttressed" ceilings. Both these effects lend to the creation of irregular spaces within which, with creative imagination, can be furnished to highlight the originality of the style. Built on one level, the main house comprises: entrance hall, spacious living/dining room with fireplace; kitchen, still to be fitted out; laundry room; master bedroom with en-suite bathroom; two further bedrooms sharing a bathroom. Guest house, also on one level, comprises: living/dining room; open plan fitted kitchen; and two bedrooms sharing a bathroom. There is a small storage area and a water tank at the entrance of the finca. A unique property which could be used as a Yoga Centre or a Holiday Centre or just to reside in the whole year around.
