Ref. L112-00523

A delightful older villa fully renovated in 2009 on an enormous plot just 500m from the beach in the area of Atalaya Baja, west of San Pedro. The villa is fully walled and has several sitting areas, dining room, kitchen with dining patio and a gently sloping garden with lovely pool area. Rustic in style, the property has been furnished with modern pieces. Must be seen, this property is full of character and perfect for a large family.
